

Downloading BSF weekly lesson materials in bulk

Warning: Doing them all in bulk is tedious.

You may want to do it week-by-week instead (last two steps, #5 & 6, below: “Week by week, one at a time”)

All at once, in bulk

Note: Downloading in bulk was possible at the time of this writing (Aug/Sep, 2024). But I understand that it may not be possible in the future. If it doesn't work for you, then either:

- *proceed to “Week by week, one at a time”, below, or*
- *get them from the MyBSF.org web site weekly (see the separate instructions, “Navigating the MyBSF.org web site - Finding lesson materials and lecture videos”),*
- *or purchase them as a printed book (see the separate instructions, “Purchasing BSF printed lesson materials”)*

To download all lessons in bulk:

1. Go to <https://www.mybsf.org/home> and login with your BSF UserID and PW. Then click on the e-line “hamburger” link in the upper left corner. Then click on *Resource Library* in the left-hand pane. And click on *Resources* under *Resource Library*:

The screenshot shows the MyBSF website interface. In the top left corner, the 'MyBSF' logo is circled in red, with a red arrow pointing to it labeled '1.'. Below the logo, the left-hand navigation pane contains several links: Home, Lessons, Leading, Resource Library, All Resources, Library Assistant, Reports, Find A Group, Prayer Resources, BSF Blog, BSF Store, and BSF International. The 'Resource Library' and 'All Resources' links are circled in red, with a red arrow pointing to them labeled '2.'. The main content area is titled 'All Resources' and features a search bar with the text 'Search Materials'. Below the search bar are three input fields: 'Keyword Search', 'Material Type', and 'Category'. A 'Reset' button is located below these fields. The page also displays a table of resources with columns for 'Posted Date', 'Document Name', 'Study Year', 'Lesson Number', 'Category', 'Material Type', and 'File Type'. A single resource is listed: '2026-07-27', 'COSA - Change of Suppression Act for Victoria Australia_042024.pdf', 'Class Forms', 'Additional Resources', and 'Text'. A 'Download Selected' button is visible above the table. The bottom right corner includes a 'Need Help?' button and a 'more info' link.

2. Scroll the boxes down to select “*Study Resources*” in the “Material Type” box and “*Adult Lesson*” in the “Category” box. (Note that we want the *Lessons*, not the Notes or the Questions, because the Lessons files include both the published Notes and the Questions. If we got the Notes only, we’d also have to download the Questions also.)

Some years, they have posted all 30 lessons at once at the beginning of the study. But some years they have posted them by semester: The first half of the lessons at the beginning of the year in August or September, and the last half of the lessons in December. So if you don't see all the lessons, that's normal. Just come back during the Christmas break in December and use these same procedures to download the rest of the lessons at that time.

4. Notice that each page on the MyBSF web site includes only 20 files but there are 30 weeks and lessons. So, scroll the BSF site to the next page using the “>” link in the bottom right, then do the same check-download-and-save thing on that page. Now you should have all the files.

The screenshot shows the MyBSF website interface. At the top, there's a navigation bar with the MyBSF logo, a 'Give' button, and a user profile for Karl Schank. Below this is a table with columns: Posted Date, Document Name, Study Year, Lesson Number, Category, Material Type, and File Type. The table lists lessons 14 through 19 of Revelation 2024. At the bottom right of the table, there are pagination controls showing 'Items per page: 20' and '101 - 120 of 32'. A red arrow points to the right arrow in these controls, which is circled in red. Below the table, there's a footer with copyright information and social media links.

Week by week, one at a time

5. Or, alternatively, you could download them one at a time, each week, via the *Lessons* item in the 3-line “hamburger” menu, which may be easier:

6. Then:

The screenshot shows the MyBSF website interface. At the top, there's a navigation bar with the MyBSF logo and a user profile for Karl Schank. Below this is a light blue announcement banner. The main content area is for Lesson 4, Revelation 2:1-11, scheduled for discussion on October 7, 2024. On the left, under 'Questions and Notes', the 'Adult Lesson (Questions + Notes)' option is highlighted with a red oval, with a 'PDF' button next to it. Below this are sections for 'Adult Questions' and 'Adult Notes', each with a 'Word' or 'MP3' button and a media player. The right side of the page is labeled 'Lecture' and contains the message: 'No lecture is available at the moment. Please check back later.' A footer bar at the bottom right says 'Need technical help? Talk with us'.
